

# EDISON VOLUNTEER SHEET

We are excited about all of the activities that are planned for this school year. The success of each of these events is dependent upon the number of folks who are available to assist. This will afford you the opportunity to work in your child's classroom, or if your schedule allows, outside the classroom too!

It's a fun way to meet other parents or to get a first-hand look at what makes the Edison Community the best home for your student. When you return your completed volunteer sheet, we will give it directly to the person who is organizing that event or activity. Thanks in advance for your help!
